Contact Information	West Bengal, India sanjibailabbrainware@gmail.com GitHub: SanjibKarunaChaitanyaGhosh LinkedIn: sanjibkarunachaitanyaghosh
Professional Summary	Mathematics Honours graduate and MCA student with hands-on experience in Python, data analysis, and statistical modelling. Published researcher with two peer-reviewed papers in AI/ML. Teaching experience in Python, MySQL, and Advanced Excel. Actively seeking Data Analyst or Data Science roles.
Technical Skills	Python (Pandas, NumPy, Scikit-learn), SQL / MySQL, Advanced Excel, Statistics & Mathematics, Data Cleaning & EDA, Machine Learning Fundamentals, Matplotlib / Seaborn (Learning), Power BI (Learning), Tableau (Learning), R (Learning), LaTeX, Research Writing
Projects	AI-Based Image Slideshow Video Creator - Built AI pipeline for image quality filtering using CNN-based feature extraction - Integrated vision-language models for automatic caption generation from images - Built mood prediction module to recommend music and transitions for video coherence - Published in Science & Culture journal (ISNA) Stationary Interactive Campus Robot - Developed NLP pipeline using speech recognition and TTS for query handling - Achieved high speech-recognition accuracy in indoor environments - Published in Science & Culture journal (ISNA) Data Skills Training Programme - Designed Python and MySQL curriculum at Ramakrishna Mission Vidya Mandira - Created dataset-based exercises covering data cleaning, EDA, and SQL queries
Research Publications	Development of an AI-Based Image Slideshow Video Creator Using Deep Learning Beauty Khatun, Debayan Pandit, Sanjib Ghosh, et al. · Science & Culture — ISNA Development of a Stationary Interactive Robot for University Campuses Suvankar Barai, Sanjib Ghosh, et al. · Science & Culture — ISNA
Experience	Instructor — Python, MySQL & Advanced Excel Ramakrishna Mission Vidya Mandira, West Bengal Aug 2024 – Present - Teaches Python Programming, MySQL Basics, and Advanced Excel to undergraduates - Designs real-dataset exercises for data cleaning and analytical workflows Private Tutor — Mathematics & Science 10+ Years (Ongoing) - Personalised tuition for hundreds of students; strengthened analytical problem-solving BPO Professional — Operations & Data Processing 2.3 Years - Worked with operational datasets, structured reporting, and quality assurance

Education

Master of Computer Applications (MCA) — In Progress
Brainware University, West Bengal | Focus: Data Science, Machine Learning
B.Sc. Mathematics (Honours)
West Bengal State University (WBSU)

Certifications

Data Science, AI & ML using Python — Ardent Computech Pvt. Ltd.
Introduction to Data Analytics — Simplilearn SkillUp
Introduction to Generative AI — Google Cloud × Simplilearn SkillUp
Python Course for Beginners — Scaler Topics

Soft Skills

Problem-solving | Communication | Teamwork | Adaptability | Curriculum Design
